

Alfapop™

Product Description:

" *Alfapop* Plaster of Paris Bandage is made from specially woven Leno Gauze evenly impregnated with finest quality Plaster of Paris Powder that produces an even cast and excellent finish with rich creamy finish.

It is used by Orthopaedic Surgeons/Technicians for immobilization of simple & compound fractures.

Product Features:

- **Quick Setting Time:** *Alfapop* utilizes quick setting Plaster of Paris Powder to achieve fast setting. (3 to 5 min.)
- **Fast Drying:** *Alfapop* soaks less amount of water leading to faster drying.
- **High Load Bearing Capacity:** Achieved due to high tensile strength of Leno Gauze & high concentration of Plaster of Paris Powder.
- **Saturation Time:** *Alfapop* has a highly porous coating & is wound on "+" core leading to rapid water absorption and ensuring minimum powder loss while wetting.
